Decide Against Special Session Congress Call

President Truman Confers
On Matter With Lead-
ers Of Both Parties

EMERGENCY ONLY
WILL CAUSE SESSION
(BULLETIN)

WASHINGTON, July 14.—(INS)—President Truman and Congressional leaders agreed at an extraordinary White House conference today that present conditions do not call for a special session of Congress this fall.

The President and legislative leaders of both parties reached their decision after canvassing the European and domestic situations, particularly the future of the Marshall plan.

Sen. Vandenberg (R) Mich., Senate president, acting as spokesman for the Capitol group, said however, that Mr. Truman reserved the right to summon a special session of Congress "to meet any unexpected contingency."

The chief executive went over the legislative situation as well as developments in Europe with leaders of both parties from the Senate and House in an hour's conference this morning.

Discusses Needs
Mr. Truman discussed both domestic and foreign needs with the group.

Vandenberg said the President told the Congressional leaders that he will act quickly on the new European tax-reduction measure, sending a prompt veto to Congress in order not to slow up other legislation.

Vandenberg said that the Marshall plan for aid to Europe was (Continued on Page Two)

British Troops To Begin Hunt For Hostages

LONDON, July 14.—(INS)—Five thousand British troops were reported standing by today at Nakhanya, in Palestine, ready to begin an attic-to-cellar hunt for two British sergeants held by Irgun Zvai Leumi as hostages.

Authoritative quarters said that martial law, which was threatened if the soldiers are not released, will be declared as the troops begin the search. They were to move into the town at 7 p. m.

Meanwhile, the London News Chronicle said a third British soldier is missing in Palestine and is believed to have been kidnapped from the underground. He is thought to have been abducted from Cafe Bat Yam, near the all-Arab city of Jaffa.

Governors Gather For National Conference

SALT LAKE CITY, Utah, July 14.—(INS)—The National Governors conference in Salt Lake City swung momentarily from political speculation today as the chief executives tackled more than a dozen knotty problems.

A keynote sounded at the opening general session revealed a definite trend toward "home rule" as opposed to centralization of powers in the hands of the federal government.

In speeches prepared for delivery this morning and at the noon luncheon, at least five governors touched on subjects ranging from the increasing importance of atomic power

er and housing to lobbying on a national scale, and the necessity for promoting safety on the highways of America.

The importance of the conservation of natural resources of the various states, and labor-management relations also came in for their share of attention.

Forty-Five Governors Here
On the eve of the first business meeting 45 governors, including those from Hawaii and Alaska, were on hand, and two more were expected some time today.

Twenty One Die In Plane Crash

Thirteen Others Injured
When Chartered Plane
Plunges Into Florida Swamp

MELBOURNE, Fla., July 14.—(INS)—Authorities today planned an investigation of the crash of a twin-engine transport plane which plunged into a swamp southwest of Melbourne, Fla., killing 21 persons and injuring 13 others.

Thirty-one Puerto Rican passengers were aboard the chartered DC-3, which carried a crew of four. It was bound from Newark, N. J., to Miami, Fla., and San Juan, Puerto Rico.

The only American passenger, Mrs. Broderick Mackinnon of Rochester, N. Y., wife of the co-pilot, was killed. Her husband, along with the pilot, Henry Hein of Houston, Tex., ASL died in the crash.

Andrew Burke of Galveston, Tex., owner of the Charter Air line, said Walter Irwin, a mechanic-designer, was not on the plane as originally believed.

Not Aboard Plane
Burke said Irwin, scheduled to board the plane at Augusta, Ga., failed to make the flight.

Highway patrolmen and funeral parlor operators earlier had erroneously identified one of the mangled bodies as that of Irwin.

Only two passengers, both children, escaped unhurt. They were thrown clear of the careening plane as it plowed through a grove of trees in the Mangrove swamp.

CAA officials in Augusta said the plane took off for Miami from Augusta at 1:20 a. m. yesterday. The crash occurred at 4:28 a. m. about one mile from a highway and about three miles from the Malabar airport near Melbourne.

Rescue crews labored for six hours, struggling through knee-deep water, before the last of the dead and injured were removed from the wreckage.

Four Injured In Crash At Sharon

Young People From New Castle
Suffer Injuries In Crash On
Sharon Street Early Sunday

Four New Castle young people, returning from an evening spent at Yankee Lake, west of Sharon, early Sunday morning, were injured when their car was involved in a collision with a vehicle driven by Robert Lewis, aged 21 years, of R. D. 2, Sharon, on East State street, Sharon. The collision occurred at 1:10 a. m. Sunday.

The injured include Paul Hartfelder, aged 27 years, of 123½ Terrace avenue, driver of the car containing the local group; Miss Edith Bodendorfer, aged 24 years, of 915 Beckford street; Miss Helen Gardner, aged 21 years, of 121 E. Sheridan avenue; and Henry Bender, of 517 Wildwood avenue.

Hartfelder suffered a laceration of the scalp, fracture of finger of the left hand, and other injuries; Miss Bodendorfer has possible fractures of the ribs, abrasion of the right knee, and laceration of the left elbow; Miss Gardner sustained a laceration of the right side of the face, while Bender suffered injuries to the ligaments of the right knee. All were taken to the Buhl hospital, Miss Gardner and Bender being able to leave after treatment.

According to the report made to Sharon police, who investigated the circumstances, Hartfelder was traveling east on State street, when Lewis, attempted to pass another car, going west and collided with the Hartfelder machine.

Man Who Fired At Sen. Bricker To Be Arraigned

Formal Charge Against
Assailant Is Assault
With Intent To Kill

(BULLETIN)
WASHINGTON, July 14.—(INS)—William L. Kaiser, former Capitol policeman who failed in an attempt to assassinate Sen. John W. Bricker (R) Ohio, today was committed to Washington's Gallinger hospital for observation.

The mild mannered, 49 year old Kaiser, appeared for arraignment before Judge Ellen J. Raedy, but Assistant U. S. Attorney Evan T. Davis asked continuance of the case for 30 days.

WASHINGTON, July 14.—(INS)—Sen. John W. Bricker (R) Ohio, today expressed concern over the safety of members of the Senate as he prepared to enter court to testify in the assassination of a former capitol policeman who fired two pistol shots at the legislator.

The formal charge against the one-time congressional officer, William L. Kaiser, 49, will be assault with intent to kill. But it was reported that Bricker may ask leniency for Kaiser.

Worried About Crowds
Bricker, who was uninjured, meanwhile said he often worried about the huge crowds in the Senate galleries, adding that "it would be a mighty easy thing for someone to drop a grenade over the railing," he said.

"I'm not certain there is anything we can do about it other (Continued on Page Two)

Nations Delay Taking Stand On Egypt Issue

Neither U. S. Nor Russia
Has Indicated Stand
On Egypt's U.N. Demands

LAKE SUCCESS, N. Y., July 14.—(INS)—Neither the United States nor Russia has indicated the stand they will take in the new problem before the United Nations—Egypt's battle with Great Britain over the ultimate fate of the Sudan.

Egypt in a petition to the security council asked for control of the Sudan and immediate withdrawal of all British troops.

It was understood today that Britain will seek a postponement of the U. N. hearing until the first week in August. The British want to bring from London several experts on Egyptian affairs before the issue comes up for debate.

A week or more discussions on the thorny Balkan question is ahead of the council and the Egyptians are not likely to raise any objection to granting the British a delay.

The Egyptian case will be presented by Mahmoud Riaz, Egyptian minister of commerce, while the British viewpoint will be set forth by Sir Alexander Cadogan, the United Kingdom's permanent U. N. delegate.

What position the United States and Russia take will have an important bearing on the Egyptian issue. The United States' U. N. policy for some time back has included consistent support of British foreign policy. Russia has been aligned against both American and British policy on a number of issues, notably the current one involving the Balkans.

Mrs. Ann Orend of Neshannock avenue, and Mr. and Mrs. William Anderson of Pittsburgh, are spending two weeks visiting at the home of Mr. and Mrs. Ralph Lang of Delta, Ontario, Canada.

Reveal Soviet Effort To Defeat Conference

PARIS, July 14.—(INS)—Diplomatic quarters in Paris revealed today that the Soviet government, in a note to all nations invited to the Marshall conference, sought to frighten small nations from participating in the parley.

A spokesman at the French foreign office, where the historic meeting is taking place, said Moscow did not attempt to bring any special pressure to bear on the other nations at it did on its own satellites.

But, he conceded, it sought to discourage small powers' participation by raising the "bogey" of Anglo-French-American domination of their economic lives.

The Soviet note, said to have been a virtual protest against holding of the current conference on European self-help, was sent several days ago and set forth the Russian opposition to the meeting as explained earlier by Soviet Foreign Minister Molotov.

It specially emphasized the Russian contention that the Marshall plan would constitute interference in the internal affairs of European (Continued on Page Two)

Plans For European Cooperation Made In Record Time By Nations Represented

NO SESSION TODAY
DUE TO HOLIDAY
PARIS, July 14.—(INS)—Speed-minded conferees at the Marshall Plan Conference in Paris relaxed today after adopting in record time a European cooperation committee program for European recovery.

In deference to France's greatest holiday—Bastille Day—a plenary session of the 16-nation conference was not scheduled until 4 p. m. (11 a. m. EDT) tomorrow.

However, a drafting committee hoped to complete its recommendations for establishment of an executive committee and composition of four technical committees in time to submit them to the plenary session at that time.

Approve Proposals
In Sunday's session, however, the conferees approved self-help proposals to speed production of European (Continued on Page Two)

Keep Coal-Steel Prices Down Is Truman's Appeal

WASHINGTON, July 14.—(INS)—President Truman appealed today to coal and steel producers to hold prices at their present levels until a "fair test" has been made of the actual effects of the United Mine Workers' wage increases.

The president made public a lengthy statement appealing to mine owners and steel producers to exercise patience. Mr. Truman pointed out that there is "deep concern" in many quarters and fear that the new coal contract will lead to a substantial increase in the price of coal, steel, and prices in general.

Sen. Langer (R-N.D.) joined six Democrats to sidetrack the resolution of Sen. Ken (R-Mo.) calling for a probe of whether Attorney General Tom Clark "whitewashed" the fraud charges.

Kem immediately introduced a resolution to take the matter from jurisdiction of the committee.

Fourth ward firemen were called to the corner of Beckford and Butler avenue at 12:05 o'clock Sunday afternoon to extinguish a grass fire. Assistant Chief W. H. Hawk reports.

Army May Quit Occupation Duties Within 18 Months

WASHINGTON, July 14.—(INS)—A State Department spokesman disclosed today that the army probably will withdraw from Germany, Austria, Japan and Korea within the next year to 18 months, and be replaced by a "constabulary."

Assistant Secretary of State John E. Peurifoy, advised a House Executive Expenditures Committee that the constabulary would operate under the State Department's supervision.

He added that the plan at present "is in a nebulous stage" but that the general advisability of the move had been determined.

Peurifoy said the army would maintain the constabulary, which would be essentially an internal police force, while all other occupation activities would be carried on by the State Department with civilian personnel.

Report Greek Troops Throw Back 'Invader'

Menaced Town Of Konitza Is
Reported By Greeks As
'Out Of Danger'

U.N. MISSION TO
PROBE INCIDENT
(BULLETIN)

ATHENS, July 14.—(INS)—Greek troops and hastily-armed civilians hurled a thousand-man "invading army" five miles back toward the Albanian frontier today and the menaced town of Konitza was declared by the Greek News Agency "out of danger."

With fighting still under way at several points near the border, American, Australian and Soviet members of the United Nations Balkan Commission left Salonika by air for Konitza.

International Brigade
Their mission was to investigate allegations that a so-called "International Brigade" is operating with guerrillas and actually violated Greek sovereignty by crossing the frontier from inside Albania.

The attackers were thrust from the outskirts of Konitza coincident with a fresh roundup of some three thousand alleged Left-wing adherents and would-be saboteurs in Ather and Piraeus.

Government reinforcements from Ioannina relieved Konitza from the immediate threat of guerrilla occupation.

Recapture Bridge
Particularly important was government recapture of the Borozani bridge which the invaders seized at the outset of the operation.

The Greek News Agency reported the vastly improved situation at Konitza after all-night fighting.

Authorities disclosed that the situation at the moment of invasion was "more critical than most persons imagined."

Announce Construction To
Start Wednesday On
New Plant At
Ellwood

R. J. Schill, secretary of the Ellwood City Chamber of Commerce announced today that construction would start Wednesday, July 16 on the new plant of Glass Products, Inc. The plant will be located on the Ellwood City-Beaver Falls road, on the property known as the Sam Hazen farm. The building will approximate 40,000 square feet.

The new company will manufacture glass products of various types and when it reaches full production is expected to employ about 600 people.

Once started the construction will go forward as rapidly as possible.

Truman Will See Medal Presented

WASHINGTON, July 14.—(INS)—President Truman will attend a ceremony at the French Embassy at 5 p. m. EDT, today when the French government will make a posthumous award of the Medal Militaire to former President Franklin D. Roosevelt.

The medal will be received by Mrs. Eleanor Roosevelt, the late President's widow.

Accept Resignation
Of Howard Peterson

WASHINGTON, July 14.—(INS)—President Truman today accepted the resignation of Assistant Secretary of War Howard Peterson.

Peterson submitted his resignation in order to return to private life.

He said after six and a half years of service he could no longer afford to remain with the government, "in fairness to my family."

CONTRACT AWARDED
Upon motion of Finance Director Albert Hoyland in council today, city solons awarded to the New Castle Duntile company a contract to build the Garfield avenue sanitary sewer at their low bid of \$4,133.80. The sewer will run from Leisure avenue to Garfield avenue with laterals in Garfield avenue between Highland avenue and Albert Street.

Drive To Halt Stream Pollution Urged By Duff

SALT LAKE CITY, July 14.—(INS)—Gov. James H. Duff today called for a nationwide campaign to end pollution of streams.

The Pennsylvania chief executive told the annual conference of governors at Salt Lake City that the U. S. public health service estimated 100,000,000 Americans needed improved water supplies and waste disposal facilities.

"It is impossible to over-emphasize the necessity of this being the accepted time to do something aggressively about this all-important problem," Duff declared. "It has already been neglected far longer than the seriousness of the situation warrants."

He admitted such a program would cost industries, states and municipalities money but claimed the nation's dirty stream problem was a menace to the people's health and the progress of industry.

"There must be a nationwide coordinated program to curb this danger to our health and security," Governor Duff asserted. "Undoubtedly the federal government should join with the states in charting a course to remedy this threat to our well being."

Elimination of industrial waste and sewage, he said, would be beneficial to business as well as individuals.

W.A.C. OFFICER

SEEKS RELEASE

CHARLESTON, W. Va., July 14.—(INS)—Kathleen Nash Durant, WAC officer who was convicted in the Hesse jewel theft trials, appeared in Federal court in Charleston today seeking her release on grounds that she was illegally convicted by an Army court martial.

Mrs. Durant, confined at the Alderson, W. Va., federal penitentiary for women, was awarded a writ of habeas corpus by Judge Benjamin Moore to contest her sentence. She claimed she was out of the Army at the time of the court martial and therefore not subject to military trial.

DECIDE AGAINST SPECIAL SESSION CONGRESS CALL

(Continued from Page One)

"touched upon" wherein it related to a possible extra session of Congress.

In response to a direct question, the Senator said the situation in Greece did not come up for discussion.

He said the principal matter discussed in regard to Europe were the possibility for the need for an extra session to provide for the Marshall aid plan and the passage of legislation to permit the immigration of some displaced persons into this country.

Vandenberg said:

No Session Contemplated

"We discussed the possibility of an extra session this fall. "It was the consensus that no such session is contemplated though of course the President will have to reserve the right to meet any unexpected contingency."

The foreign relations committee might be called back late in the year if legislation is needed to be developed so it can be ready for presentation to the Congress when it reconvenes."

This action, Vandenberg indicated, referred to the possible need for legislation on the Marshall aid plan.

Vandenberg said the "urgency" of this problem of displaced persons.

He said there was no possibility of passing such legislation in the present session of Congress, adding:

"It was mutually agreed that this is a situation that requires action but it was also mutually realized that there are extreme difficulties making action all but impossible this session."

He said there would be further discussions seeking to find some procedure for handling the displaced persons problem.

The President is expected to discuss the Greek situation with Under Secretary of State Robert Lovett later in the day.

Secretary Marshall is en route to Salt Lake City to address the annual Governors' Conference.

NAZARENE CHURCH BURNS MORTGAGE ON FORMER BUTLER PARK

BUTLER, July 14.—Mortgage burning of former Alameda Park, Butler amusement spot for many years, was effected Sunday, at impressive services held by the church of the Nazarene at the park.

The 59 acre park was secured by the Pittsburgh district of the church in 1944 at a cost of \$18,000 with \$10,000 in improvements having been made since that time. Rev. Russell DeLong, of Kansas City, Mo., spoke during the service.

Casa Savoia Auxiliary Fetes Participants Of Stage Show At Dinner Event

Participants of the recent operetta presented by the Casa Savoia Auxiliary were honored at a chicken dinner event Sunday evening, hostess being Mrs. Floyd Semione, president of the auxiliary.

Fresh flowers centered the table and the delicious meal served was prepared by Mrs. Clotilda Ross, Mrs. Angeline Frasso and Mrs. Marietta Cecil.

Toastmaster for the occasion was William DeCarbo. Speakers included Rev. Fr. Albert M. Intero, Rev. Fr. Francis L. Ginechi, Philip Frasso, president of Savoia society.

Mrs. Mabel Mastrangelo favored with selections and duets were sung by Mrs. Floyd Semione and Mrs. Angeline Frasso.

In charge of the dining room were Mrs. Josephine Copple and Mrs. Barbara Coll.

Farewell messages were given to Mrs. Floyd Semione, who is leaving for a three months visit in Italy, and to Mrs. Clotilda Ross, who will visit her nephew, Bert Buzzelle, San Francisco, Cal., for several months.

Neshannock Twp. Firemen To Meet

Plans For Securing New Equipment Will Be Discussed At Meeting In New Fire Hall

Plans for securing new equipment and other business of importance will be discussed by members of the Neshannock township fire department at their meeting in the new fire hall, on the Mercer road, Tuesday evening.

Lunch will be served following the business meeting, with Ed Miller in charge of this feature.

Although the numbers of the fire department have been published at various times, there are still a large number of township residents who do not know where to call in case of a fire emergency. Chief James Messner asks residents to clip these numbers out and paste them near their telephone, where they will be handy in case the fire department is needed. The fire station number is 6771-J; president, Merle Brooks' number is 1377-M, and that of Dick Morgan, assistant chief, is 3917-R.

about nothing but the business which brought him to the city. He said:

"This is merely a social reunion. The Governor's Conference always has had to do with business of state government, and that's what I'm here for."

Nevertheless, there were ever-present indications of the Dewey nomination boom. For example there was the conference between Dewey and California Gov. Earl Warren, and Warren's reply of "no comment" to newsmen who asked whether he still had no interest in the GOP National ticket.

Also, there was the privately expressed word from New Jersey Republicans that Dewey was ahead in the race for the state's delegation.

Finally, there was the official announcement that the governor had altered his schedule to include a luncheon in Idaho Falls, Idaho, where he will meet GOP state party workers.

expensive for the United States and other nations that might assist. But, it is felt, they also make it more vital that the Western Powers plan be adopted and carried out effectively.

Arguments Made

Washington quarters argue that only thus can the advantages of capitalism over collectivism be established and borderline powers, such as Czechoslovakia, Poland, Hungary and Finland be weaned away from Soviet influence.

For the United States, however, its contribution must be supplied by Congress. Further, it must be supplied by the current economy minded Congress before the anticipated crisis develops, now anticipated to be sometime in 1948.

than have our guards and doormen be more alert. We certainly do not want to stop and search all those people."

At the same time, Sen. Wiley (R) Wis. called for a "complete overhauling" of the capitol police force.

Wiley said he considered the Bricker assault an "isolated incident," but declared that it illustrates a "situation that might become serious in view of the number of crackpots around and current upset conditions over world politics and labor-management relations."

Accosted Several Times
The Bricker incident occurred Saturday in the basement of the Senate office building as Bricker and an aide prepared to board a subway car for the capitol.

Bricker said that Kaiser, who had been appointed to know when he would be repaid for money lost in a Columbus Building and Loan firm liquidated while Bricker was governor of Ohio.

Police said that Kaiser, when asked why he fired on Bricker, remarked "just to refresh his memory."

East Brook F.F.A. Boy Takes First In Angus Judging Test

Jim Stunkard Yields Position To Donald Moore Of East Brook In Ensuing Calf Scramble

Jim Stunkard of the East Brook F. F. A. was the high scorer in the Aberdeen Angus judging contest among Lawrence county F. F. A. boys at the Bonniar Farm at Renfrew Saturday.

Inasmuch as a stipulation was added at the contest Saturday that the winner of a calf would have to feed it for over a year and show it at the Pittsburgh Livestock Show in the fall of 1948, Jim forfeited his position in the calf scramble to the second place winner, Donald Moore, of the East Brook F. F. A., because Jim has recently moved to town and has no facilities for feeding a steer. Moore, however, failed to corral a calf.

There were 14 F. F. A. and 4-H boys in the lot with six Aberdeen Angus calves participating in the calf scramble. Each boy was given a halter and at a given signal rushed the calves. The rules included the haltering of the calves and bringing them to the finish line.

Calves Donated
The six \$100 Aberdeen Angus calves were donated by five Angus breeders in western Pennsylvania. This was the first calf scramble ever held north of the Mason and Dixon line.

Cattle breeders from three neighboring states were in attendance among the hundreds present. Animal husbandry representatives from the Pennsylvania State college were present and conducted the judging contest which determined which boys would be allowed in the calf scramble.

Mr. Cooper of Penn State spoke on pasture improvement, and Mr. Miller of the Aberdeen Angus field service pointed out what to look for in Angus breeding cattle and steers.

Other boys from the East Brook F. F. A. who participated in the judging included Charles Reiber, William Siskafuse, Ted Wallis, Bob Pontius, Harold McConnell and John Manzo.

MAKING SEED ON PROGRAM AT PARIS PARLEY

goods and foodstuffs, and to break national boundary obstacles to freer inter-European exchanges of commodities."

Moving at top speed and with complete unanimity, the plenary session adopted in one hour and 14 minutes the plan drawn by its working committee which had been appointed less than 24 hours earlier.

The plan, as adopted at the second session of the historic conference, provides for:

- 1—Establishment of a 16-nation cooperation committee which shall seek the friendly assistance of the United States for preparation of a final report on assistance needs of Europe.

- 2—Setting up of four technical committees on food, agriculture, power, and iron and steel.
- 3—Assurances that the organization for economic rehabilitation of Europe would in no way interfere in the internal affairs of participating states.

Points Outlined

In outlining the points to be included in the cooperation committee's report to the American government, the program made clear that the report shall define:

- 1—Development of production as regards certain essential activities which may result on the one hand from the efforts made by each European country individually, and on the other hand from inter-European exchanges of available resources.

- 2—Requirements both as regards quantities and the value which it would be possible to meet as a result of European economic aid.

"In this second instance, the working committee report said:

"These requirements shall comprise equipment and goods intended to guarantee the developments of production and essential consumption goods, such as agricultural produce and coal, intended to safeguard the economic life of Europe during the period in which national production is inadequate."

The report stressed the belief that Europe should "first help itself by developing its production of essentials," but added that American aid would be "decisive in enabling it to pursue these efforts and in contributing resources which will be lacking until they have been accomplished."

SOVIET EFFORT TO DEFEAT CONFERENCE

countries, and make them subject to economic domination of the three major western powers.

While the note did not scare any of the western nations away, it undoubtedly did have some effect. This was evident from the fact that at yesterday's session, representatives of three Scandinavian countries emphasized that "all our work must be done on the basis of full respect for the sovereignty of nations."

Swedish, Norwegian and Danish delegates stressed this point, despite the strong reassurances given them on the opening day of the conference by British Foreign Secretary Bevin and French Foreign Minister Bidault.

Observers believe that their emphasizing of this point unquestionably was prompted by Moscow's effort to frighten them.

STRUCK BY AUTO

John Williamson, age 72, formerly of R. D. 7, in the New Castle hospital, suffering from injuries received Saturday night, he told state police, when struck by an auto on Route 18 at Willow Grove. He reported the accident Sunday morning.

Anne Steele (1717-78) was an English hymn writer. She was the daughter of a lay Baptist preacher living at Broughton, Hampshire. Many of her hymns are still in common use.

GOVERNORS GATHER FOR CONFERENCE

(Continued from Page One)

and last night were concerned mainly with an apparent boom favoring the nomination of Gov. Thomas E. Dewey of New York for president by the Republicans next summer.

Arrival of Gov. Earl Warren of California on the scene created a new flurry of political speculation.

However, before the sessions began in earnest both Dewey and Warren discouraged any further questions by reporters regarding their future political aspirations.

Let Politics Alone

They emphatically declared themselves strictly in favor of getting down to the business of the 48 states and letting further political talk go by the boards.

One of today's highlights of the 39th annual convocation was the scheduled arrival late this afternoon of Secretary of State George C. Marshall.

Marshall is slated to speak at 10 o'clock CDT tonight in the Lafayette room of Hotel Utah which is the conference headquarters.

Dewey presides at the general session late this afternoon. He is prepared to urge complete clarification of the field of taxation, and the drafting of a nationwide program which will put federal, state and local administration and collection of taxes in separate fields.

Reports said that the leader of 300 Albanians participating in the offensive was a man named Nurl Dino Bey who during the occupation of the Tsamouira area of Greece by German troops during the war, commanded armed and uniformed Albanian "Quisling" battalions.

Dino Bey, who held the rank of major at the time, had the active and open support of the Germans.

Help World Recovery, Save Used Fats
Thanks to patriotic American women, over 600 million pounds of used fats have been added to U. S. supplies of industrial fats since August 1942. These 600 million pounds were vitally important, not only to the United States, but to the entire world.

Fats and oils, both food fats and industrial fats, are in critically short supply, practically everywhere. Total world production of fats and oils in 1947 will be one-sixth less than in prewar years. But at the same time, there

are many more mouths to feed and a tremendous job of reconstruction and rehabilitation to be done.

In the face of this great world-wide shortage of fats and oils, it is obviously most necessary to conserve every possible pound of fat. American women can make a real contribution to the welfare of their own country and to the recovery of the rest of the world by saving and turning in their used cooking fats.

88-A's GATHER HERE SATURDAY

Members of the 88-A's, a group which toured Europe together some years ago, gathered at the home of Mr. and Mrs. R. Frederick Roberts for their first reunion since before the war. There were 21 in attendance who sat down together again for a delicious 1 o'clock dinner, under the leadership of Mrs. Charles Schrumm of Greensburg, the retiring president.

Attorney James E. Chambers of this city was elected president for the coming year, with Miss Floy Owens and Miss Mary Tewell, of New Castle, being named secretary and treasurer, respectively.

It is planned to make these gatherings annual affairs in the future, as had been the case before the war interfered.

PILGRIM-FISCHER

EXCHANGE OF WOVES

Miss Nina M. Pilgrim, daughter of Mr. Emma Pilgrim, 144 East Neshaanock avenue, New Wilmington, became the bride of Jack R. Fischer, son of the late William G. and Rachel Fischer, of New Wilmington, at a quiet ceremony in the Highland U. P. church Saturday evening, July 12. Rev. D. L. Ferguson officiated, using the single ring ceremony.

The bride was attired in a white gabardine suit with brown and white accessories and wore a corsage of roses. The couple was unattended. Upon return from a week's wedding trip Mr. and Mrs. Fischer will be at home to friends at 319 Boyles avenue. The bride is employed at Sears Roebuck and Co. and the groom is employed at the Westinghouse Co. of Sharon.

FORMER FOURTH CHURCH REUNION

Members of the former Fourth Presbyterian church will have their annual reunion at Cascade Park on Friday, July 18. Dinner will be served at 6 o'clock at shelter No. 3.

ROTARY ANN CLUB PLANS FOR PICNIC

Plans have been completed for a picnic of the Rotary Ann club to be held Thursday, July 17. Mrs. E. L. Davenport has invited the club to picnic at her summer cottage, along the Slippery Rock creek, near Harlansburg.

A 1 o'clock luncheon will be served followed by an informal afternoon. Committee in charge of reservations is Mrs. Donald Trout, Mrs. Joseph Weinschenk, and Mrs. Kenneth Vorhees.

DEAN BADGER

WEDDING AUGUST 1

Mr. and Mrs. Ed. C. Dean of R. D. 1 announce the forthcoming marriage of their daughter, Shirley Ruth, to Samuel J. Badger, son of Mr. and Mrs. Henry M. Badger of R. D. 1.

The wedding will be performed in the study of the Third U. P. church on August 1 at seven p. m., Rev. J. Paul Graham officiating.

Following a reception will be held at the home of Mr. and Mrs. Clyde D. Badger of the Ellwood road.

Miss Dean has chosen Mrs. Eileen Dean, her sister-in-law, to be matron of honor.

Clyde D. Badger, brother of the bridegroom, will serve as best man.

MARTHA SHRINE

TO GATHER AT PARK

Martina Shrine No. 14 will gather Thursday evening, July 17, at 6 o'clock for a basket picnic at Cascade Park. Families will be guests at the outing which will take place in shelter No. 3.

Dessert and coffee will be furnished by the Shrine.

Livingstone Guild To Meet

Livingstone Guild of Central Christian church will assemble on Tuesday evening, July 15, at the cottage of Mr. and Mrs. Lawrence Sonntag, Harlansburg. Husbands will share as guests at the picnic dinner which will be served at 6 o'clock.

ANGELINE CASTRUCCI WEDS PAUL F. HENRY

Simplicity marked the wedding ceremony which united in marriage Miss Angeline B. Castucci, daughter of Mr. and Mrs. Joseph Castucci of 208 West Madison avenue, and Paul Francis Henry, son of Mr. and Mrs. Martin Henry of 205 West Elizabeth street, Pittsburgh, on Saturday morning, July 12, at 10 o'clock, in St. Lucy's church, this city.

In the presence of a large gathering of friends and relatives, vows were exchanged and the double ring ceremony performed before an altar embanked with ferns and palms.

Rev. Fr. Sebastian Ippolito, pastor, was celebrant; Rev. Fr. Walter C. Karavekas, deacon, and Rev. William Garafalo, sub-deacon. Appropriate organ music was played preceding and during the nuptial mass.

Given in marriage by her father, the bride was lovely in a white gown of moire taffeta, with sweetheart neckline, fitted bodice, tapering in a bustle, and full marquisette skirt. Her fingertip veil fell from a sweetheart halo, and she carried a white prayer book and rosary, marked with two orchids, and streamers of sweetpeas. She wore a strand of pearls, a gift from the bridegroom.

Miss Mary G. Castucci, as her sister's maid of honor, wore a pale yellow gown of moire taffeta and marquisette, fashioned similar to the bride's. She wore matching mitts and sweetheart halo, and her colonial bouquet was of tallman roses and sweetpeas.

Regis F. Cusick, Jr., nephew of the bridegroom, served as best man.

A brief congratulatory period was held at the church after the ceremony, and immediately following a reception was held in St. Margaret's hall for upwards of 200 guests.

The buffet table was beautifully arranged in yellow and white, centered with the wedding cake.

Mr. and Mrs. Henry departed late in the afternoon on a wedding trip to the Pocono mountains. They will for the present take up residence at 3106 Marston street, Philadelphia, Pa., where the bridegroom is affiliated with the U. S. Post office.

Mrs. Henry is a graduate of the New Castle senior high school and Temple University. For the past two years she was a member of the Union high school faculty, teaching senior grades.

Mr. Henry attended Duquesne prep school and Duquesne university. He was in the U. S. army for four and a half years and served in both theaters of war.

BETTY L. McCANN

ENGAGEMENT TOLD

Mr. and Mrs. Donald L. Doot announce the engagement of their daughter, Miss Betty L. McCann, daughter of the late Mr. and Mrs. James W. McCann, 1208 Albert street, to Ronald L. Nelson, son of Mr. and Mrs. Roy L. Nelson, 208 South Walnut street.

No date has been set for the wedding.

REYNOLDS-GRAFT CHURCH NUPTIALS

Beautiful in every detail was the wedding Saturday evening of Miss Eleanor Reynolds, daughter of Mr. and Mrs. William M. Reynolds, Delaware avenue, and Wilfred Graft, son of Mr. and Mrs. Clayton Cameron, Fairmont avenue.

Using the impressive double ring service, Dr. S. E. Irvine performed the ceremony in the presence of a large number of friends and relatives in the First U. P. church at 7:30 o'clock.

The bride, given in marriage by her father, was attractive in a net and lace gown, fashioned with an off-the-shoulder ruffle and long sleeves trimmed with ruffles. She wore a fingertip veil and an heirloom locket, belonging to a friend. Her white Bible was encrusted with an orchid.

Miss Barbara Marquis, attired in a pink crepe toe-length gown, trimmed with ruffles in the back, served as maid of honor. She wore a shoulder-length veil and carried a colonial bouquet of mixed summer flowers.

Robert G. Reynolds, brother of the bride, was best man for Mr. Graft. Earl Sadion and Earl Hammond acted as ushers.

Appropriate nuptial music was played by Mrs. John F. Love, organist, preceding and during the ceremony, which was performed by candlelight before an altar decorated with a large basket of white gladioli, palms and ferns.

A reception for 150 guests took place in the social rooms of the church, where the wedding cake was cut by the bride and groom at a table decorated with white summer blossoms. Refreshments were served buffet style with the bridal party and immediate families being seated at a table.

The bridal party and immediate families were entertained at a rehearsal luncheon Saturday at the Reynolds home.

Upon returning from a wedding trip to an undisclosed destination, the young couple will be at home to friends after July 23 at their apartment, 1206 Highland avenue.

Both Mr. and Mrs. Graft are graduates of New Castle senior high school. The new Mrs. Graft is employed as an operator at the Bell Telephone company, while her husband, a veteran of three years' service with the U. S. navy, saw action in the South Pacific area. He is now affiliated with a steel company at McDonald, O.

MARTHA MCCONAHY

WEDS IN PITTSBURGH

Miss Martha Jane McConahy, daughter of Mr. John McConahy, R. D. 1, Edensburg, became the bride of John David Hooper, formerly of St. Paul's Orphanage, of Pittsburgh, in St. Luke's church of Carnegie. A nuptial high mass was held on July 4 with Rev. Fr. John D. Ford officiating with the single ring ceremony.

Given in marriage by her brother, Cecil McConahy, the bride was lovely in a white gown with a satin top and full skirt of chiffon which fell from a long train. Her full length veil fell from a crown of seed pearls and she carried a pair of roses. Her flowers were lilies, gardenias, and snapdragons centered with a corsage of two orchids. Miss Dorothy Bowers, as maid of honor, wore a peach chiffon gown with a net headpiece. She carried yellow roses. Thomas Walz served the groom as best man.

Following the ceremony a wedding breakfast was served at Fort Pitt hotel after which the newlyweds departed for a wedding trip to Washington, Pa. They will reside in Pittsburgh. Immediately family of the bride attended the wedding.

Mrs. Hoover is a graduate of Union High school and Rosella Hospital School of Nursing and was formerly St. Paul's Orphanage hospital. The groom is a graduate of St. Luke's High school and is employed at Dettling and Hamilton Vault Co. in Pittsburgh.

Wallet And \$70 In Disappearance

Gypsy Band Accused Of Figuring In Sudden Disappearance Of Money

OTHER NEWS OF COURT HOUSE

One of the things we missed during the war was the Gypsy bands that roved the country. But the Gypsies are back and coincidentally a number of cases of bunco have been uncovered.

Several days ago Joshua Burton of Edinburg, an aged and respected citizen, was sitting in front of his home with his wife. Two dark young women came up and one asked if she could get a drink of water.

Mr. Burton invited her to come out to the kitchen which she did. After drinking the water the young woman, about 25, said: "For giving me that drink of water I will bless you but first you must show me some money."

He pulled out his wallet containing \$70 and the next thing he discovered was that the wallet was gone. So were the two young Gypsies.

The old trick has been tried at several houses near the Ohio line but only a few have worked. The Gypsies are camped somewhere in Ohio and apparently drive over into Pennsylvania, get away with what they can and then get back into Ohio.

State police are working on the cases but are handicapped because the Gypsies are over the state line.

But if any comely young women come to your door for a drink of water, or anything else, keep your hands on your pocketbook.

Arrest Discloses Counterfeiting Ring

NEW YORK, July 14.—(INS)—The arrest of a French airlines pilot as he landed his huge four-engined ship at La Guardia field brought about disclosure today of a large international counterfeiting ring which had been passing phony travelers' checks.

The flier, Capt. Charles Le Chavaler, 42, of Paris, was held in \$15,000 bail for a hearing Tuesday. He denied the charges.

The district attorney's office said that American Express company travelers' checks totaling at least \$15,000 have been passed recently in France. Seven persons were said to have been arrested in France as a result.

Officials of the Air France airline said they knew nothing of the pilot's activities.

Plan Reunion Of 190th Artillery

First reunion of the 190th Field Artillery will be held at the American Legion Dell Delight Park in Hollidaysburg on Sunday, July 20.

The 190th Field Artillery, a Pennsylvania National Guard unit, left its home stations in January, 1941, for training at Camp Shelby, Miss., and went overseas in August, 1942.

New Castle was represented in the 190th Field Artillery by Battery "F" and Service Battery, 2nd Bn., which later became Battery "C" and Service Battery of the 300 P. A. Battalion when the regiment was changed to a group.

This picnic is in the form of a basket lunch.

THWARTS THIEVES
PENNSBURG, Pa.—(INS)—Samuel S. Hartzell is a nemesis of car thieves in the Pennsylvania area. When Hartzell leaves his car he throws a secret switch disconnecting the ignition switch from the motor and connecting it with the horn. Hartzell has installed the switch into several of his friends' automobiles, and believes that if the idea is adopted nationally it will cut down the number of stolen cars.

County Teacher At State College

STATE COLLEGE, July 14.—The Pennsylvania Workshop, held during the summer at Pennsylvania State college, is entering its sixth annual session with more than 135 elementary and secondary teachers enrolled. The workshop is a study session in the form of seminar approach, and special lectures. This affords teachers a chance to specialize in a study of one or more phases of an elementary or secondary school problem.

U. S. Has Regions Yet To Be Mapped

WASHINGTON.—Less than 45 per cent of the United States is adequately mapped today, although the job has been going on for many years.

The situation was disclosed in testimony before a house appropriations subcommittee by Rear Adm. L. O. Colbert, director of the Coast and Geodetic Survey. The CGS has a major share of the job of mapping this country and its possessions.

Colbert said it was urgent that the mapping job be completed as soon as possible as a foundation both for the development of untapped mineral resources and for the proper planning of future public works.

BAR NEW PATIENTS
PHILADELPHIA, July 14.—(INS)—The maternity ward of Philadelphia General hospital was closed to all new patients today as physicians reported the death of a second infant from gastroenteritis.

Six other babies are reportedly suffering from the disease, which is frequently called "baby diarrhea." Dr. Franklin C. Pettey, chief resident physician, said all six infants are showing improvement. Three other babies have been sent home cured since the first case was reported on June 23, he added.

BODY TAKEN FROM RIVER
MONONGAHELA, Pa., July 14.—(INS)—Deputy Coroner C. S. Patterson still was attempting to identify today the body of a man taken from the Monongahela river at nearby New Eagle last Thursday. The body was clad only in a pair of GI shorts when found, Patterson said.

Recording Papers Of Lincoln Will Take Much Film

WASHINGTON, July 14.—(INS)—The library of Congress revealed today that two miles of microfilm would be required to record the contents of the collection of Abraham Lincoln's papers to be opened July 26.

The library said that microfilm copies of the collection will go on sale immediately after the public ceremonies marking the opening of the collection. The film will cost \$645 each, and will include a \$32-reel of index cards.

The collection, estimated to include between 15,000 and 20,000 separate documents, has been under lock and key since President Lincoln died in 1865.

His son, Robert Todd Lincoln, turned them over to the library in 1923 with the direction that they were not to be opened until 21 years after his death. He died July 26, 1926.

Although the papers have not been available to the public, government officials of Lincolnian scholars, a few trusted library employees have been permitted to examine them in order to prepare the index.

They were placed under bonds of strictest secrecy and were forbidden to make any use of their knowledge, even to the extent of taking private notes from memory for future use in scholarly work.

STRIKE IS ENDED

LANCASTER, Pa., July 14.—(INS)—A 46-day-long walkout of approximately 3800 employees was ended today after strikers voted by a margin of four to one to accept a 12 cents an hour across the board increase and resume production at the Armstrong Cork company's Lancaster plant.

Strikers, who had sought a 26 cents an hour hourly boost, ended the walkout by approving a contract negotiated by the CIO-United Rubber Workers Union and with the company under the guidance of U. S. Conciliator Harry G. Young.

Former Pilot Saves Distressed Plane

PITTSBURGH, July 14.—(INS)—Theresa James, 36, a former army air transport command pilot with 3600 hours of flying logged to her credit, knew what to do when she heard a plane circling low in the fog, trying to land.

She called her three brothers, and the four of them, using towels and shirts as signaling devices, guided the small former army trainer to a land in an open field near suburban Wilkinsburg.

The ship came down with its brakes locked, somersaulted and landed on its back. Neither Roy Confer, 35, the pilot, nor William Loker, 36, were injured. Damage to the plane was minor.

The two, both ATC veterans, were en route from Cambridge O. to their home at Titusville, Pa.

Dr. R. F. Galbreath will address the Wolves club dinner-meeting Tuesday evening, July 15, at 6:30 o'clock, at The Castleton.

President Angelo Frediani will preside. Dr. Galbreath will deliver a timely message.

PITTSBURGH, July 14.—(INS)—Funeral services will be held Tuesday for Bernhard Ragner, 56, writer, lecturer and former foreign news correspondent and editor, who died of a heart attack at his home Saturday.

Ragner, for the past six years had been public relations representative for the Pittsburgh Chamber of Commerce.

St. Vitus Sodality Picnic On July 27

Plans Under Way For Annual Outing At Stoughton's Beach For Sodalis

Julie Terranova, prefect conducted the St. Vitus Sodality meeting recently in the convention hall, and speeches on Patience were heard from May Cascavelli and Dora Naples of the Eucharistic committee.

Rose Marie Corio, Our Lady's committee spoke on Our Lady of Mt. Carmel, and Marie Sainata spoke on Womanhood.

A book review of "A Gentleman's Agreement" was given by Antoinette Call. Bernice Dellaverson, publicity committee was in charge of the bulletins.

Social life chairman, Viola Tuscano announced the Sodality picnic to be Sunday, July 27 at Stoughton's Beach.

Viola Naples spoke on the ceremonies of one entering the religious life. She announced that her sister Margaret Naples, former prefect, who entered the religious order, took her religious vow on June 30, at New Haven, Conn., and is now known as Sister Mary Andrea.

Rev. Fr. Francis I. Ginocchi, newly ordained priest, then spoke on the true meaning of "being a Sodalist." Rev. Albert M. Inteso also spoke, and then closed with prayer.

COLORFAST COTTONS ARE GOOD BUYS

Cotton, the popular summer fabric, should be colorfast and colorfastness is a property that is not inherent in the fabric itself. It is a property that is imparted to the fabric by the use of dyes.

Information on colorfastness usually is found on the end of the bolt of yard goods. On ready-made garments it generally appears on the attached tag. "Vat dyed" means the color will not bleed or fade and will last the lifetime of the garment. There is no home remedy to set the color in fabrics that are not colorfast.

The word "sanitized" on a label means that the fabric or garment will not shrink more than one percent. If a label does not carry this word, it is advisable to preshrink the fabric before making the garment. Preshrinking is an easy job and worth the time and trouble it takes.

To preshrink cotton materials, first tear the ends of the fabric so they are straight. Keep the goods folded lengthwise, place in a large pan or tub, add enough lukewarm water to completely cover, and allow to soak for a half hour. Squeeze gently, hang material still folded lengthwise over clothesline. When almost dry, remove from line and iron. Be sure to keep ends and selvages even.

Careless laundering will shorten the life of cottons. Avoid using too hot water and strong soap and always dry cotton garments in the shade. Two publications "Laundering at Home" and "Simple Rules for Hand Laundering" are available at the Agricultural Extension Office, 206 Post Office building, New Castle. There is no charge for these publications.

French War Bride Reported Missing

CHICAGO, July 14.—(INS)—Relatives and police today sought a petite, red-haired French war bride who was reported missing from her Chicago home.

She is Mrs. Raymonde Hedges, 32, wife of Alex Hedges. Hedges reported her missing Saturday night when he returned home.

Her husband, formerly a U. S. Army MP in France, said he had brought his wife to Chicago in February, 1946.

Hedges' mother, Mrs. Harriet Hedges, said her son's wife was married previously in France but lost her first husband in the war.

The younger Mrs. Hedges has a son, Christian, 6, by her first marriage, living with relatives in France.

Hedges' mother said the French bride recently appeared despondent and expressed a desire to see her son. She believes the girl may attempt to get to France.

Blame Ill Health For Fatal Plunge

PITTSBURGH, July 14.—(INS)—The coroner's office today blamed ill health for the fatal plunge late Sunday of George E. Stebbins, 63, prominent Pittsburgh patent attorney, from his 13th floor office.

Stebbins, ill for more than a year, had been discharged from a hospital June 17 and had been constantly under care of a nurse since. He had gone to his office late Sunday accompanied by his wife and the nurse, Kathleen Cain. He stepped into an adjoining office and leaped from the window, his body falling to the roof of an adjacent five-story building.

The youth, fully clothed, saw Richard Hickey, 14, also of Brownsville, apparently in trouble in the deep water near the lockwall. He disrobed, plunged in, and failed to return to the surface.

Hickey managed to make his way back to shore without aid.

Police believed Blackwell was caught in an undertow.

The average car in use in the United States today is over nine years old, compared with 5½ years before the war.

Identify Remains Of Ellwood City's Colonel Meneice

Body of Col. Robert E. Meneice of Ellwood City was one of 204 buried war prisoners which have been identified at the notorious Japanese prison camp O'Donnell, the War department has announced.

All the men died or were killed by the Japs at the camp. Identification was made with the use of dental charts and other data after long research.

The bodies have been re-interred in an American cemetery, also in the Philippine Islands.

WASHINGTON CALLING

(Continued from Page Four)

vote to sustain the President. That will be a margin of 3 or 4 over the necessary one-third.

No Guarantee

There is no guarantee behind this number. Great pressure is being put on certain senators to go along with the congressional majorities.

One vote the Democrats will have this time that they did not have when the presidential veto on the labor bill was overridden. That is the vote of Sen. Elbert Thomas of Utah, who is due back from Europe about the time the White House receives the tax bill.

Thomas, attending a conference in Geneva, Switzerland, was the center of a comedy of misunderstanding over the labor veto. In a series of trans-Atlantic telephone talks with party leaders in Washington, he debated whether he should fly back to resolve the issue with his vote. A private plane was held for him at a Paris airport until it was finally agreed that one vote could not save the day.

Just before the senate voted to override the labor-bill veto, Sen. Robert A. Taft summed up for the Republicans who were responsible for the measure. He challenged the concept of the veto, citing the example of Thomas Jefferson who, according to the senator from Ohio, never used it.

This was saying in effect that Mr. Truman, after November 5 of last year, should have abdicated his powers. He should have been willing to put himself in a political deep freeze for two years, or until the inevitable passage of time should bring a Republican president to match the Republican congress.

Asking Too Much

That is asking too much of any man. Of course, this warfare between the executive and legislative branches is silly and time-wasting, productive only of confusion at a time when the United States needs above all else, unity of direction before the world.

But the divide that gives rise to this warfare will not be cured by advising the President to put his own views on ice. Herbert Hoover, when he was trapped in the same situation, was not willing to accept the views of the Democratic majority in the house. Why not, since the two branches are divided, ask the congress to refrain from passing any controversial legislation? Why not suspend all government for two years.

No, the cure lies deeper. It lies in the kind of constitutional amendment introduced by Sen. J. W. Fulbright of Arkansas, which would mean simultaneous election of senate, house and president. But very few people seem to be thinking in those terms.

BUTLER COUNTY TO HAVE LIQUOR VOTES

BUTLER, Pa., July 14.—Ten districts in Butler county, all of them now dry, will vote on the wet-dry issue in the Sept. 9 primaries, petitions filed at the county commissioner's office at the deadline revealed today. Seven boroughs and townships will decide on a beer issue and three others will determine if the sale of liquor and beer should be allowed.

Last Polio Health Hint: Avoid Sudden Chilling!

Sudden chilling such as plunging into cold water on a very hot day should be avoided as the sixth and final health precaution that should be observed in the polio season—June through September—the National Foundation for Infantile Paralysis cautions through its local chapter.

Scientific research financed by March of Dimes funds has shown that when laboratory animals exposed to the polio virus were suddenly chilled, twice as many developed acute and paralyzing attacks of the disease as did a control group which had been protected from sudden temperature changes.

Therefore, take no chances. To be on the safe side avoid sudden chilling, the National Foundation advises.

EAGLES LADIES TO MEET TUESDAY

Regular meeting of the Ladies Auxiliary to the Paternal Order of the Eagles will be held Tuesday evening at the Eagles Club.

Chairman, Mrs. William Elgass, will be in charge when plans will be completed for a family picnic at Cascade Park on Tuesday, July 22.

Covert Gathering

Descendants of James F. and Margaret Smith Covert and the late John L. and Sarah Crum Covert gathered Sunday for their second yearly reunion at Cascade Park, with places being arranged for 50 guests.

James E. Covert was the oldest person present. Gail Marie Davis, four-weeks-old daughter of Mr. and Mrs. Hudson Davis, and Sharon Louise Covert, six-weeks-old daughter of Mr. and Mrs. Earl Covert, were among the guests.

Following the serving of a basket picnic at five o'clock, games were played and singing was also enjoyed.

The group will assemble again at the same place in July, 1948.

Crazy Eight Club Meets

The members of the Crazy Eight club met recently at the home of Mrs. Thomas Williams. Cards were in play during the evening, with high score awards going to Mrs. Howard Kimmel, Mrs. Kenneth Cameron and Mrs. Glenn Sager.

The hostess was presented a show of beautiful gifts by the club members, and Mrs. Harold Miller received a birthday gift from her secret sister.

Later in the evening the hostess, assisted by her mother, Mrs. Archie Davies, and Mrs. David Wheale, Jr., served a luncheon.

The next meeting will be at the home of Mrs. Everett Eakin, Florence avenue, on July 30.

You Women Who Suffer HOT FLASHES then FEEL CHILLY!

Are you going through the functional "middle-age" period, peculiar to women (35-52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, irritable, weak? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this! Taken regularly — Pinkham's Compound helps build up resistance against such "middle-age" distress. It's what doctors call a uterine sedative. It positively contains no opiates — no habit-forming drugs. *It helps nature* (you know what we mean).

(Pinkham's Compound is also a great stomachic tonic!)

MR. AND MRS. L. DAVIES 50TH ANNIVERSARY

In honor of the 50th wedding anniversary of Mr. and Mrs. Lewis J. Davies of 5 East Moody avenue, this city, on Saturday, July 12, a chicken dinner was enjoyed in Harlansburg at noon with places marked for 20 guests. Rev. Thomas J. Jones, who offered the invocation preceding the dinner, with his wife and niece, Mrs. Eluned Lloyd of North Wales, attended the dinner. A beautiful centerpiece of flowers graced the table with gold candles on each side. Favors with white wedding bells with gold trimming made by Mrs. William B. Kastner and Betty Jane Nelson, granddaughters, were presented to each guest. Toasts were given by Ronald L. Nelson and Robert L. Nelson, grandsons.

"Open house" was held in the evening with approximately 200 friends and neighbors attending who spent an enjoyable evening group singing and reminiscing. In celebration of the golden anniversary of the honored couple, they were presented with a large array of beautiful gifts. They also received a purse of money, flowers and many cards, including four cablegrams of congratulations from South Wales.

A delicious luncheon was served buffet style in the evening at a table beautifully centered with summer flowers and candelabra of white candles on each side. Mrs. Henry J. Jenkins and Mrs. George Benson poured. Mrs. J. C. Williams, Mrs. Jack Leiby, Mrs. Milfin Miller, Misses Lela Lewis and Anna M. Jones served.

Guests from out of town were Mr. and Mrs. Owen G. Thomas and son Wayne of Willard, O.; Mr. and Mrs. Birtle J. Swann and Marsha Lee of Washington, Ind.; Mr. and Mrs. Tal Jones and Mr. and Mrs. Harold Reese and children, Sharon; Miss Bess Reese, Miami, Fla.; Mr. and Mrs. Harry J. Reese and children, Youngstown; Mr. and Mrs. William J. Davis of Lakeland, Fla.; Mrs. Richard Reese of Farrell, Pa.; and Mrs. George Benson, Misses Helen and Jean Benson, Mr. and Mrs. Donald Benson and Donnie of Bessemer, and Mrs. Mae Sloan of Pittsburgh.

Mr. and Mrs. Davies were married on July 12, 1897, in the Altman Chapel, Pontardawe, South Wales, with Rev. Rees officiating. They are the parents of Mrs. Owen G. Thomas of Willard, O.; Mrs. Roy L. Nelson of this city and Melvina J. at home. They have six grandchildren and two great-grandchildren. The honored couple are in good health.

Guests Return Home.

Among those from out-of-town who attended the Reynolds-Graft wedding Saturday in the First U. P. church here were the following: Mr. and Mrs. David Brain, Mr. and Mrs. Russell Hobart, Miss Dorothy Wagner, Mrs. Elizabeth Lasalle and Mrs. Rose Hettenberger, all of Cleveland, O.; Mr. and Mrs. Milo Paden, Lovellville, O.; Mrs. Carl Gressler and daughter, Dorothy, Jeannette, Pa.; and Mr. and Mrs. Henry Seetch, Ellwood City.

Newlyweds At Home
Mr. and Mrs. Carmen Genareo, newlyweds of June 28, are now at home to friends at 1117 West State street, following a wedding trip to Florida.

Miss Mary Magno, daughter of Mr. and Mrs. Patsy Magno, 1117 West State street, was united in marriage to Carmen Genareo, son of Mr. and Mrs. Ralph Genareo, Hamilton street, at a pretty ceremony in the First Pentecostal church.

Using the single ring service, performed at 10 o'clock in the morning, Rev. James D. Menzie officiated in the presence of friends and relatives.

"The Lord's Prayer" and "Ah Sweet Mystery of Life" were sung by Miss Betty Raguso, accompanied by Miss Gloria Ludovici.

The bride, given in marriage by her father, was attended by Miss Lucy Genareo, the groom's sister, who was maid of honor. Miss Ruth Magno, the bride's sister, served as bridesmaid.

Gregory Magno, brother of the bride, acted as best man for the groom. Angelo Genareo, brother of the groom, and Paul Caravella were ushers.

A wedding breakfast for the immediate families was served at the bride's home, where a reception in the evening was attended by 300 guests.

Mrs. Genareo is employed at the Shenango Pottery company, while her husband, a veteran of one and a half year's service in the Army, is proprietor of the Carnes Auto shop, this city.

P. F. F. Club Assembles

Eighty Boys Arrive Sunday At Summer Site As Second Week Of Camping Begins

Some 80 youngsters of the Y. M. C. A. fled the heat and confinement of the city Sunday for the outdoor facilities of Camp Fred L. Rantz along the Slippery Rock creek.

Today marks the beginning of the second week at the installation, and the cabins are filled to capacity. Another busy seven days of handicraft work, swimming, games and Bible study awaits the boys. Camp Director William Winter said today that despite somewhat chilly weather and rain, last week's campers had a fine time.

Memorial Service

Sunday evening in the camp chapel, a service honoring the memory of Fred L. Rantz, late president of The News, and founder of the modern camp site, was held.

Rev. Thomas Jones was the speaker and delivered a fine tribute to the man whose generosity made the building of the site possible.

BOY'S INJURED FOOT IMPROVING NICELY

Gary, son of Mr. and Mrs. Charles Smith of Milton street, is now getting along nicely. The youngster, who is three years of age, fell off his "kiddie car" about a week ago, and cut a gash in his foot, requiring six stitches to close the wound.

NEW WILMINGTON, July 14.—Methodists and other church members of the county will have the rare opportunity of hearing and seeing the Youth Caravan of the Methodist church, which is making a six day appearance at the First Methodist church of New Wilmington.

The caravan, pictured above is making a tour of churches in this section of the country, with the New Wilmington stop its only engagement in Lawrence county. The talented group of young people opened its meetings Sunday morning in the local church and at 2:30 p. m. were heard over the New Castle Ministerial hour in New Castle. In the evening, a large audience heard the group in the

Community Park Vesper service in which the churches of the community united for the occasion.

The group will have made or plan to make stops at Sharon, Parkers Landing, and Mercer. Young people from Volant, Pulaski and other churches of the district will unite for the unusual services which will come to a close on Friday evening.

The daily program of the services is as follows: Monday through Friday, 2 to 4 p. m. workshop activities, junior and senior high school youth; 6 to 7 p. m., fellowship dinner, Methodist church; 7 to 7:45, forum; 7:45 to 8:15, classes, study and discussion; 8:30 to 9:15, worship period; 9:15 to 10 p. m. period.

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, July 14.—(INS)—All Irene Dunne needs to make up her mind is a little time, say a year or so.

That's exactly how long it took her to decide she'd play the strong-willed Norwegian mother in "I Remember Mama" for R-K-O.

Her hesitation about accepting the role when it was first offered her in 1946 was based less on reluctance than fatigue.

Irene explained: "I was working in 'Life With Father' and I didn't want to start

another picture right away. But when production schedules were shifted several months ahead so that I could arrange a vacation, I gave the matter additional thought."

She added: "I'm lazy, you know." She exhibited no laziness once her decision was made. She swung into a series of conferences with Producer Harriet Parsons, Director George Stevens, and Kathryn Forbes, from whose novel, "Mama's Bank Account," the picture was adapted.

Irene continued: "Mrs. Forbes was extremely helpful. Her book about a Norwegian family living in San Francisco around the turn of the century was based on fact. The 'Mama' whom I portray was actually her grandmother. She told me many incidents about her which helped focus my characterization."

In accepting the part, Irene assumed a heavy dramatic load. She must speak with a pronounced Norwegian accent. This necessitated three months of practice with a dictation coach before she ever faced the camera. She lightened her hair to a flaxen Norse blonde. She hid her trim figure beneath long skirts and gingham. But her portrayal is far from stodgy.

"The family has gaiety," she explained, "the mother is wonderful; a woman of resourcefulness and wisdom. She's not without her lighter side, too. She shows a warm sagacity which should give the picture great humaneness."

In "I Remember Mama" Irene was broken away completely from the light comedy roles of "Over 21" and "Joy of Living". She hopes her current part won't start another cycle.

She said: "This is my second mother role in a row and just to make sure it won't become habit-forming I'm going to do a musical next."

"I came to Hollywood from 'Show Boat' and my first picture was a musical. It came out at the end of a cycle when timepieces were so sour that exhibitors hung signs below their marquees saying 'this picture is not a musical!'"

Irene herself started a cycle of wacky comedy characterizations with "High, Wide and Handsome," "Theodora Goes Wild," and "The Awful Truth". These became so numerous that she went to Europe to cool off. Now she is determined to stay out of ruts.

"I Remember Mama" is my first straight drama since 'Anna and the King of Siam,' she said. "It offers a nice contrast to 'Life With Father.'"

Miss Dunne is one of the rare Hollywood elect who has not sought an independent production for herself.

On the basis of its mean annual flow combined with considerable height, Guayra falls on the Parana river, in Brazil-Paraguay, is the world's largest waterfall. Its estimated mean annual flow is 470,000 cusecs (cubic feet per second).

A Six-Month Report

WE HAVE MADE PROGRESS... WE HAVE A LONG WAY TO GO

During the first six months of this year, we took 73,927 names off our Pennsylvania waiting lists.

To accomplish this, we installed 9 new central offices, made major additions to 10, enlarged 120 others, strung and laid 167,000 miles of outside wire. All this required the investment of some twenty-five million dollars.

Yet there are today 98,000 names on our waiting lists—more than at the start of the year. And the national waiting lists bulge with more than two million names.

Since the first of the year, we have had over 150,000 applications for telephone service. The demand continues to shatter all records, all predictions, and all calculations—and there is no sign of any let-up.

In the Next Six Months

Between now and the end of the year, we plan to install 7 new central offices, to make major additions to 15, to enlarge 175 others, and to string and lay 200,000 miles of outside wire—requiring further investment in telephone plant of approximately thirty-five million dollars.

All this will enable us to remove from the waiting lists in the neighborhood of 90,000 names.

But in spite of huge expansions of our plant, in spite of production of telephone equipment at a rate more than double that of the biggest peace-time year, in spite of everything that can be done, there is bound to be a sizable waiting list for telephone service at the end of the year. However, there is this improvement in the overall situation: The waiting time generally is becoming shorter and shorter.

We know that there are many residence customers on party lines who would much prefer to have individual lines.

We know, too, that there are many who would like a different style of telephone instrument than they now have.

We are deeply concerned about all this, and we aren't forgetting—not for an instant—anyone's wishes for a change in type of service or instrument.

But we believe that we should continue to use available facilities—available manpower—to provide service for those who have none.

We are doing our utmost, day in and day out, and will continue to do our utmost, to make telephone service available to everyone who wants it anywhere in the territory we serve.

FATALLY INJURED

BELLEFONTE, Pa., July 14.—(INS)—Relatives today claimed the body of Frank O. Snyder, 34, Rockview penitentiary inmate who was fatally injured Sunday when pinned against a tree by a runaway tractor on the prison farm.

Prison officials said Snyder, a native of Venango county, died in Centre County hospital several hours after the accident. He was cranking the tractor while it was in gear and the machine rolled forward pinning him to a tree, they added.

Would Deny Funds To Soviet And Satellites

WASHINGTON, July 14.—(INS)—Rep. Everett Dirksen (R., Ill.), influential member of the House Appropriations committee, announced today that he will introduce legislation to deny funds to Russia and Soviet satellite nations.

Dirksen announced that his proposal would deny aid to foreign countries which failed to cooperate with the Marshall plan.

Dirksen said: "We have appressed and placated, but at long last there must be an end to this patient endeavor."

Dirksen is chairman of the House Appropriations subcommittee on agriculture and a leader of the House Republican economy bloc.

The congressman stated: "The foreign situation is more nebulous and uncertain than ever before."

Peace No Nearer

Dirksen continued: "While we have freely shared our assets and supplies with foreign countries, our efforts have been met with one frustration after another and today peace is no nearer a reality than on VJ Day."

"There is genuine hope in the Marshall plan provided it is not mixed with appeasement. Why dole out more and more billions of American assets when petty tyrants and dictators continue to enslave their people, make a mockery of the very freedom for which thousands of American G.I.s died, take their cues from the Kremlin and refuse to cooperate."

"It is time to serve notice that peroration rat hole is at an end."

"If European nations are more interested in Red Fascism than in rehabilitation, that is their concern, but once and for all let us put an end to the use of American dollars to spread this hateful doctrine and thus undo the work which has cost hundreds of thousands of American lives and billions of American treasure."

The legislation would deny funds to a foreign nation "unless such country shall by appropriate action declare its support for the Marshall plan and give satisfactory evidence to the President of the United States that it is and will continue to adhere and cooperate in said plan."

Reception To Honor Center U. P. Pastor

Rev. W. F. Holmes, pastor of the Center U. P. church, will be honored by the congregation of the church on Tuesday evening at 8 o'clock at a reception.

A program has been arranged, with Mrs. Nettie Hartzel as general chairman. Her committees are as follows: entertainment, Mrs. Frank Frey; Mrs. Nancy Kalschauer; menu, Mrs. Clarence Black; Mrs. Jack Kalschauer; David Baldwin; table, Mrs. Lawrence Jordan; Mrs. William Hogue; coffee, Mrs. Clair Gibson and Mrs. Norman McHattie.

Rev. Holmes, who came from the Savannah O. U. P. church, was officially installed to the pulpit of the Center church on July 2. Rev. J. C. Fulton of the Portersville U. P. church and Rev. Lawrence Ayers of the Oak Grove U. P. church were the installing ministers.

The new pastor succeeds Rev. B. M. Wallace, who is now preaching in the Pittsburgh district.

Goering Exhibit In City

Pictured above is the trailer containing the Herman Goering exhibit brought to New Castle by the Gy. Sgt. Harry T. Burns detachment of the Marine Corps League. The trailer is located at the corner of Mill and Washington streets today and tomorrow. Assisting with the exhibit, shown with the trailer are: T. Sgt. L. H. Edder of the local recruiting station and Ralph Maturo, Junior Vice Commandant of the Gy. Sgt. Harry T. Burns Detachment. The lower photograph shows the interior of the exhibit.

UNWEIGHED BABIES
SHANGHAI — (INS) — Because China uses the metric system, a new foreign mission hospital in west China will have to get along for a while without any scales to weigh new born babies. Chinese customs officials passed all the new hospital equipment except the scales. After a long delay they told the exasperated English Baptist doctors these would have to be impounded. "These

scales are marked in pounds and ounces," they explained. "Chinese law demands that all new babies must be weighed in kilograms."

Youth For Christ Has First Picnic At Grove City Park

Local Young People Motor To Grove City Saturday To Enjoy Inter-denominational Outing

Memorial Park. Grove City was the scene of the first New Castle Youth for Christ picnic Saturday, when a number of young people from New Castle motored to the park for the outdoor event. No meeting was scheduled Saturday evening in First Methodist church, where the weekly service of the group takes place.

During the afternoon hours, volleyball, mush ball and swimming were enjoyed by those in attendance at the most successful outing. Supper was enjoyed at 6 o'clock.

At dusk, the young people gathered on the hillside for a devotional period and testimony service in charge of Rev. Howard Sartell, director of the New Castle Youth for Christ. Concluding the informal service, Rev. Oliver W. Hurst, pastor of the First Baptist Church, spoke briefly to the young people encouraging them to continue on in their work.

Plans have been laid to continue the work of Youth for Christ in the city throughout the summer months, with the exception of August 30 and September 6, when no meetings will be held. The third anniversary banquet of the youth will be held in October. Next Saturday evening, Rev. Vernon Grounds of Johnson City, N. Y., will be the speaker.

Eighth Week Of Murder Trial Is Being Started

SANTA ANA, Calif., July 14.—(INS)—The weapons which the state claims were used to bludgeon to death Financier Walter E. Overell and his wife held the spotlight as the Overell yacht murder trial resumed today, entering its eighth week.

One of them, a ballpeen hammer, was placed in evidence just before court recessed for the week-end. The other, a piece of pipe that served as a station on the Overell yacht, the Mary E., was expected to be introduced today.

The prosecution charges that the dead couple's daughter, Louise Overell, 18, and her fiancé, George R. "Bud" Gollum, used the two instruments to slay the Overells last March 15, and then sank the yacht in Newport bay with a home-made time bomb.

The hammer allegedly was used against Mrs. Overell and the station against her husband.

It was not known yet how the state would identify the piece of pipe as a dead weapon, but the manner of placing that label on the hammer already has been indicated.

New Wilmington Man Has Arm Amputated

Howard Chapin, 35, of New Castle St., New Wilmington, formerly of Sharpsville, had his arm amputated at the shoulder by Mercer Cottage hospital surgeons after it was mangled in a hay baler.

Hospital attendants said he was working for Allan Watson of Mercer, near Sandy Lake. He was taken to the hospital in Moore's ambulance from Sandy Lake.

His condition was reported "fairly good."

MORE THAN 12,000 CARS BUILT IN JUNE!

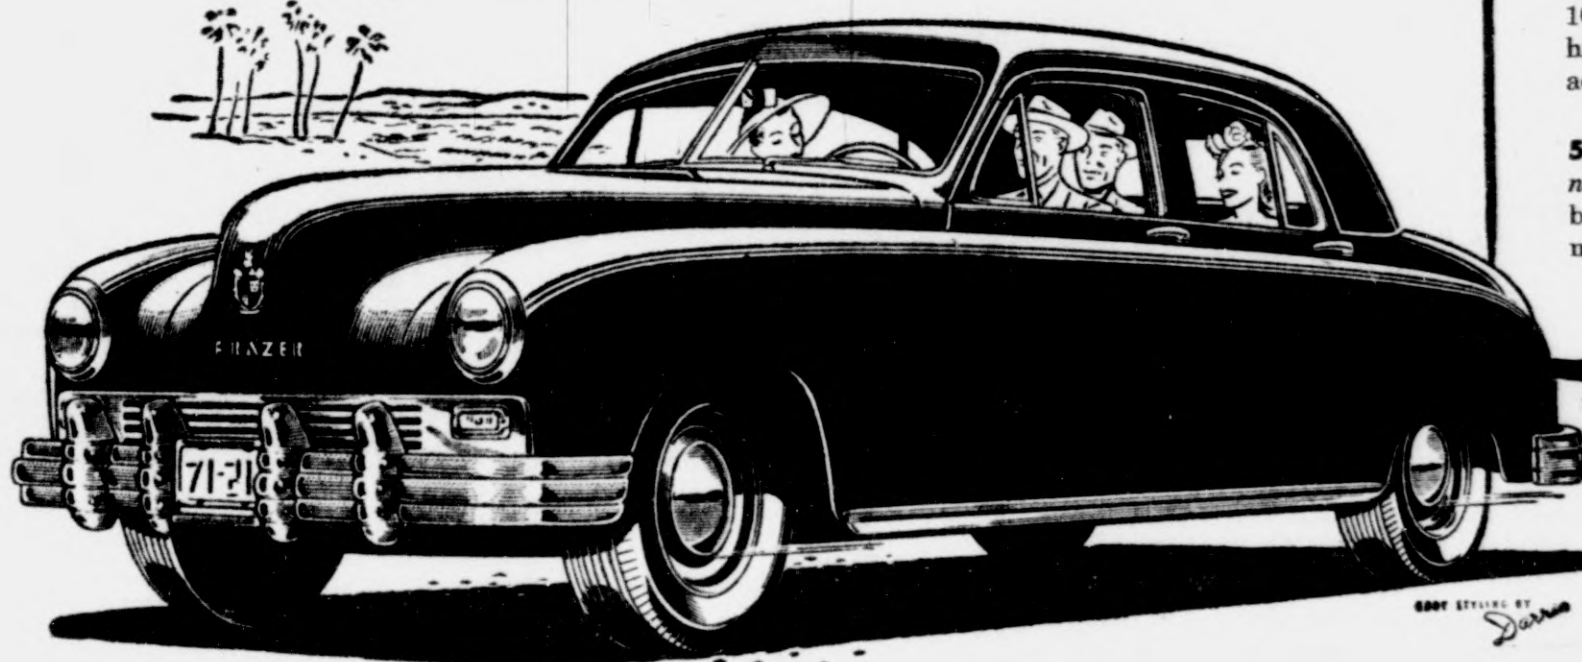

Yes, Willow Run has reached a production rate of more than 12,000 KAISER and FRAZER cars per month—better than a car per minute! One hundred and twenty million dollars worth have been sold at retail. And the public buys the factory output every month—and asks for more. Production is being increased!

The reason for the phenomenal success of these 100%-postwar automobiles is easy to discover. The 56,000 proud owners who have driven them millions of miles are the best salesmen we have! They are enthusiastic—and tell their friends. They know they have something new and different. They know they have styling and design far in advance of the rest of the industry. And they know they enjoy a ride no other car can equal!

Drive either of these cars. Compare the ride with the best you have ever known. You will want to own a KAISER or a FRAZER. Then place your order! Increased production means that we can now give you early delivery.

Both cars are serviced with genuine factory parts—wherever you go—by one of the four largest automobile dealer organizations in the world.

Increased Amount Of Natural Gas Is Promised This Area

End To Winter Shortage Seen. Approval Given For Big And Little Inch Lines

PITTSBURGH, July 17.—(INS)—Probability of an end to winter natural gas shortages in the Pittsburgh district was seen today following a ruling by the attorney general that 340,000,000 cubic feet of natural gas could be pumped into the area through the big and little inch pipe lines from Texas.

Of that amount, 304,000,000 cubic feet would be allotted five Pittsburgh area distributors.

Last winter thousands of workers made idle for short periods during cold weather when gas supplies became so short that curtailments of from 25 per cent to 100 per cent were ordered for gas-dependent industry in an effort to keep supplies flowing to private homes.

Besides learning to be good campers, the girls at the Y. W. C. A. camp at Camp Eastbrook like to eat, and they don't even mind doing the cooking themselves. A delicious chicken dinner was served to them as a special feature Sunday, but after an afternoon of swimming and playing in the water, they were starved again. So they did something about it.

Union Outdoor Meet Brings Good Number To Downtown Church

Mahoning Methodist Pastor Heard In Third Address Of Summer Outdoor Services Of City

Overcast skies, Sunday evening, for a time threatened to mar the third outdoor service of the churches of the city on the First Christian church lawn. The service continued outdoors for its entirety, with rain failing to materialize.

A good attendance was reported at the service which was in charge of James N. Rainey, president of the New Castle Ministerial Association who introduced each feature of the evening service.

Rev. Warren A. Bugbee, pastor of the Mahoning Methodist church, who was the speaker of the evening, addressed his listeners on the theme: "Jumping To Conclusions." The speaker used many instances from the Bible in which the leaders of their day passed hasty judgment and later were sorry for their decisions. The opening thoughts were contrasted with those who reserved judgment before acting.

Miss Marjorie Graham, daughter of Dr. and Mrs. J. Paul Graham of the Third U. P. church was soloist of the evening, singing two well chosen numbers. Mrs. Kathryn N. Allen accompanied her at the piano. Miss Graham served as pianist for the evening.

Others participating in the outdoor meeting were, Elmer Kanagy, song leader; and Rev. A. B. Weisz, pastor of the Volant and Rich Hill Presbyterian churches, who led in prayer. Recorded music was played by Clarence M. England.

Another such service will be held next Sunday at 6:45 p. m. on the lawn of the First Christian church.

Plans Solo Flight Around World To Seek New Record

CHICAGO, July 14. — (INS) — Plans for a solo flight around the world in an attempt to smash the old record held by the late Wiley Post were announced today by Capt. Bill Odom, pilot of the Reynolds Bombshell which posted a new global speed mark last April 16.

Odom hopes to leave on his aerial junket around Aug. 9.

Franklin Lamb, Chicago flight manager, said Odom will try to encircle the world in less than 100 hours, cutting in half the old record of eight days, 15 hours and 51 minutes chalked up in 1931 by Post.

Lamb said Odom would follow the same route taken by the Reynolds Bombshell on its recent record-breaking journey.

Pipelines are being built to carry natural gas thousands of miles from fields in the southwest to population centers.

Fails To Shed Any Light On Actress' Death

NEW YORK, July 14.—(INS)—
A Denver businessman who made a
special trip to New York failed today
to help police shed any light on the
strangling of his niece, Sheila Man-
ning.

Lee Waldron, an uncle of the
actress whose nude body was found
in her apartment last Wednesday,
conferred for 30 minutes with As-
sistant District Attorney A. J. Leib-
er and later both announced that
their parley was fruitless as far as
clues were concerned.

Waldron said he hadn't seen his
niece in 30 years, and in fact, didn't
even know of her 19-year marriage
to Lawrence Plateau which ended
in divorce in November, 1943.

The Denver businessman told
police that his niece left home at
the age of 18 to try her luck in a
movie career on the west coast. He
said he never saw her again, al-
though he heard of her occasionally
through a sister.

Meanwhile, police reported that
about 50 persons listed in the ad-
dress books found in the woman's
apartment still are to be questioned.

Two Arrest In Theft Of Atom Bomb Secrets

PITTSBURGH, July 14.—(INS)—Alexander Von Der Luft, 23-year-old Princeton chemical engineering student charged with the theft of atom bomb secrets from the Los Alamos, N. M., testing station, will be arraigned in federal court in Pittsburgh today.

Von Der Luft, arrested by FBI agents at his home Saturday night, has maintained he took the highly secret papers merely as "souvenirs". Part of the papers were recovered in a wall safe at his Pittsburgh home, and the rest in his room at Princeton, by FBI agents two months ago.

Other papers taken at the same time were recovered with arrest of Ernest D. Wallis, 34, Chicago photographer and also a former sergeant who worked with Von Der Luft.

The two were charged with "removal and concealment of classified documents", a charge which carries a maximum penalty of \$2,000 fine, three years' imprisonment, or both.

PREWAR PRICES NOT TO RETURN

WASHINGTON, July 14.—(INS)—Jerome M. Ney, board chairman of the American Retail Federation, today advised consumers to abandon hope that prices will return to pre-war levels.

Ney, testifying before the joint congressional committee on the economic report, said: "Consumers have every right to expect reductions in the prices of many goods. But they are deluding themselves to expect prewar prices. They would lose out if their incomes were readjusted to such a price level."

He hastened to add, however, that he felt that prices "definitely should not" stay at "their present inflated levels."

Ney called upon business to make voluntary price cuts, labor to moderate its wage demands and increase productivity and farmers to push all-out reduction.

Record Gate For Graziano - Zale Fight Wednesday

CHICAGO, July 14.—(INS)—The biggest gate gross in the history of middleweight title fights seemed assured today when promoters announced a record sum has already hit the box office for Wednesday's Rocky Graziano-Tony Zale rematch at Chicago stadium.

Co-promoters Irving Schoenwald and Arthur Wirtz freely predicted a \$450,000 gate to surpass the old record of \$342,497 set at the first Zale-Graziano scrap in New York's Yankee stadium last September.

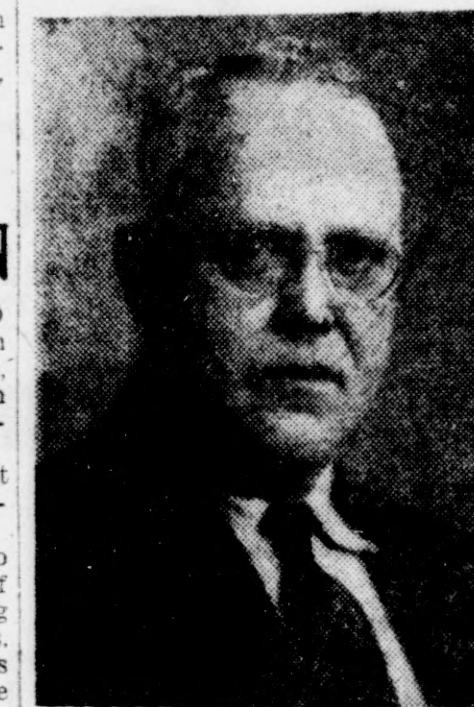

"We have more than \$342,497 already," Schoenwald said, "and the money keeps pouring in."

Bell Veterans To Be Honored

Two Local Men, Who Have Served
Company For 75 Years, Will
Be Feted Tuesday

RALPH H. NEVEL

GEORGE K. POLLOCK

Two Bell Telephone Company of Pennsylvania veterans employees who have served the company a total of 75 years will be honored Tuesday at a luncheon at Harlansburg, attended by company officials and co-workers.

They are Ralph M. Nevel, of R. D. 3, Wilmington road, who marked his fortieth anniversary with the company last month, and George K. Pollock of 411 West Parkway, whose thirty-fifth anniversary was on Sunday. Both are employed in the company's plant department.

Both men first started with the company in Butler, Pa. Nevel later worked in Erie, coming here in 1913. Pollock transferred here from Butler in 1926. Both men are also members of the Telephone Pioneers of America, organization of veteran Bell workers, and Nevel is a member of the Hundred Thousand Mile club, which is made up of men who have driven company motor vehicles that distance without being responsible for a single accident.

Man Is Found On Road; Struck By Car

Frank McKnight, R. D. 6, was found by Earl McConahy and companions, lying unconscious along the East Brook highway, immediately outside the city, early Sunday morning. Calton Black, Volant, R. D. 1, notified city police. When they arrived McKnight had regained consciousness. He said he had been struck by a car which failed to stop. He was taken to Jameson Memorial hospital for treatment of a brush burn on his face and head.

TO HAVE HEARINGS

Joe Nocera, Maitland Street, was charged with interfering with a policeman after Frank Isabell, South Mercer Street and Guido Filigenza, Maitland Street were placed under arrest at 11:40 p. m. Saturday, on a charge of loitering in Long Avenue. Filigenza got away, but later surrendered at police headquarters. They all posted forfeits for a hearing Tuesday before Mayor John F. Haven.

Much Activity

Traversing the East Brook road through to route 19, the Perry Highway, tillers of the soil in the district were quite active, expending every ounce of energy possible in their effort to hasten the growth of their corn, potatoes and other crops which should have been much further along according to calendar. Most corn crops have failed to reach even now the traditional knee-high stage which has been the measurement on the Fourth of July for many years.

Even the youngsters of the farm home were being pressed into service, whether on the end of a trusty hoe or atop the hay rake or some other piece of farm machinery. Weeds were being rapidly dispelled by the eager youths who were as anxious to have good crops as their seniors.

Strip Mining Blight
A different sight was brought in to view after crossing the Lawrence and Mercer county division line. Farm lands which in earlier days

most likely brought forth productive crops were lying in a state of upheaval. The unsightly terrain viewed in our neighboring county of Mercer was caused by man's eager desire to unearth the treasures of the earth for human consumption. Strip mining was evidenced for a number of miles in the vicinity of what is known as Mine No. 5.

The multitudinous mounds of earth appearing 100 feet or so in height astounded your reporter, who was getting his first view of the wasted land. In spite of the destruction, mother nature had covered many of the man-made hills with carpets of green in her attempt to hide the unsightly caverns in the earth.

The return trip, made after dark, presented another scene, that of quietness, as weary farmers and their families sought rest from their hard day's work. Occasionally a light was seen in a distant farm house, but on the whole rural Mercer and Lawrence county was asleep preparing for another day in which they could start over again in their effort to produce food for the tables of we in the city.

NEW ILLINI COACHES

CHAMPAIGN, Ill., July 14.—Douglas R. Mills, director of athletics at the University of Illinois, today announced more coaching changes at the school, this time in the football ranks.

Robert B. King, end coach at Furman university, Greenville, S. C., has been appointed to that position with the Illini, and Melvin Brewer, grid captain in 1939, has been named freshman coach.

Robert Wilson of Champaign and Ray Cizek of Hobart, Ind., both on the 1946 squad, have been appointed assistants on the freshman staff, Mills also revealed.

DRIVER IS HELD

Chief of police Robert D. Hanna has charged James Holtsappel, R. D. 1, with driving a car while intoxicated in Shenango Street. He was arrested by Policeman Farrow at 1:30 a. m. July 13. The information was sworn to before Alderman James C. Brice.

TAKEN TO HOSPITAL

Police took Fred Detrich, Wabash and Ashland Avenue, to the Jameson Memorial hospital Saturday night for treatment of a laceration on his head. He later was taken to his home.

Busy Days On Farms News Man Discovers

Rural districts, which during normal growing years, are fairly well along with the crops at this time of the year, show some effects of the unseasonal spring rains of 1947. A trip made into the country using the northeastern highways of Lawrence county and southwestern roads of Mercer county, gave a reporter, who dwells in the city, a little insight as to the progress of his farmer friends en route.

Traversing the East Brook road through to route 19, the Perry Highway, tillers of the soil in the district were quite active, expending every ounce of energy possible in their effort to hasten the growth of their corn, potatoes and other crops which should have been much further along according to calendar. Most corn crops have failed to reach even now the traditional knee-high stage which has been the measurement on the Fourth of July for many years.

Even the youngsters of the farm home were being pressed into service, whether on the end of a trusty hoe or atop the hay rake or some other piece of farm machinery. Weeds were being rapidly dispelled by the eager youths who were as anxious to have good crops as their seniors.

Strip Mining Blight
A different sight was brought in to view after crossing the Lawrence and Mercer county division line. Farm lands which in earlier days

most likely brought forth productive crops were lying in a state of upheaval. The unsightly terrain viewed in our neighboring county of Mercer was caused by man's eager desire to unearth the treasures of the earth for human consumption. Strip mining was evidenced for a number of miles in the vicinity of what is known as Mine No. 5.

The multitudinous mounds of earth appearing 100 feet or so in height astounded your reporter, who was getting his first view of the wasted land. In spite of the destruction, mother nature had covered many of the man-made hills with carpets of green in her attempt to hide the unsightly caverns in the earth.

The return trip, made after dark, presented another scene, that of quietness, as weary farmers and their families sought rest from their hard day's work. Occasionally a light was seen in a distant farm house, but on the whole rural Mercer and Lawrence county was asleep preparing for another day in which they could start over again in their effort to produce food for the tables of we in the city.

NEW ILLINI COACHES

CHAMPAIGN, Ill., July 14.—Douglas R. Mills, director of athletics at the University of Illinois, today announced more coaching changes at the school, this time in the football ranks.

Robert B. King, end coach at Furman university, Greenville, S. C., has been appointed to that position with the Illini, and Melvin Brewer, grid captain in 1939, has been named freshman coach.

Robert Wilson of Champaign and Ray Cizek of Hobart, Ind., both on the 1946 squad, have been appointed assistants on the freshman staff, Mills also revealed.

DIES AT 95

SOMERSET, Pa., July 14.—(INS)—Funeral services will be held Tuesday for David E. Bottomfield, 95, of Everett, Pa., who died at his home Sunday. Bottomfield, one of Everett's oldest residents, had been a leading grocer in the community for half a century.

Missionary Circle No. 2 of the Second Baptist church will assemble Tuesday, July 15, at the church, where Mrs. Mary Clark will be hostess. The group's last meeting took place in the home of Rev. and Mrs. J. P. Wynn, South Jefferson

street. Mrs. Odessa Jones aided Mrs. Wynn in serving lunch.

Rising Star club will gather Tuesday evening at 8 o'clock at the home of Mrs. R. B. Moore, 318 West Falls street.

Bible Band of the Mahoning Avenue Mission will meet in the Mission this evening at 8 o'clock, with Mrs. Fannie McDaniel and Rev. J. W. Clark in charge. The theme will be "Christ Our Ever Present Helper".

When I buy
farm
machinery...

I ask myself these questions:

- 1 How many different jobs can it do well on my farm?
- 2 Can it replace old equipment, draft animals, or save in other ways on my farm?
- 3 Will it save time in a busy spring, especially when the season is late?
- 4 Is it also useful during the growing season?
- 5 Will it help get the harvest in?
- 6 Has it any winter uses?
- 7 Is it a proven piece of equipment for my kind of farm?

Sylvan Heights To Be Scene Of Many Golf Events

July Handicap, Eagles Tourney And City-County Championship Events Are Carded

In addition to the big West Penn-Eastern Ohio golf tourney to be staged here on Sunday, July 20, a number of other class events are carded for the near future at Sylvan Heights course, the city's own course.

Entries are now being received for the July handicap event, which will take place the latter part of the month. C. R. Perrotta is field judge, and entries will be received until July 20.

Then early in August there will be a tournament for all Eagle golfers in the West Penn area, which is expected to attract quite a number of visitors.

Qualifying play has been started for the annual city-county championship event, which was won last year by Anthony "Tinny" Lombardo. There will be a big field in this event, which is open to any golfer in Lawrence county.

Legion Juniors Defeat Grove City

Big First Inning Proves Too Much For Visitors, With Don Watters Hurling One-Hitter

Making use of six errors and three walks, the Perry S. Gaston Junior Legion team managed to score ten runs in a big first inning at George Washington field Saturday evening, the final score being 11-1.

Richards, who succeeded Olin on the mound, pitched fine ball after the initial inning, holding the strong local team to one run over six innings. Don Watters also hurled fine ball for the Legion boys, allowing but one hit. Kerr had two hits for the Legion Juniors.

The scoring by innings: R H E
Grove City 0 0 0 0 1 1 6
Legion Juniors 10 10 0 0 1 1 0
Batteries: Grove City V. F. W.—Olin, Richards, and White; Legion Junior—Watters and DeFelice.

Apostoli Fights Ruben Shank

SAN FRANCISCO, July 14.—(INS)—The comeback campaign of ex-Middleweight Champ Freddie Apostoli, gets its first stern test tonight when he takes on Ruben Shank of Denver.

Indifferent gym workouts have put the Colorado cowboy on the short end of 2-1 odds for the ten-round match. Apostoli has had ten victories along the comeback trail, mostly over welterweights and none of them in matches with opponents of Shanks' class.

The late Judge William G. Braham, long-time president of the National Association of Professional Baseball Leagues, will be the first minor league executive honored in the game's hall of fame at Cooperstown, N. Y.

Juste Fontaine Is On Come-Back Trail

PITTSBURGH, July 14.—(INS)—Juste Fontaine, Pittsburgh lightweight, tonight hopes to start a climb back toward the top when he meets George Larover, Philadelphia, in the 10-round main event of a fight card at Zivie's "Punch Bowl" in Pittsburgh.

Fontaine has been idle since his recent TKO defeat by Champion Ike Williams at Philadelphia. Last winter he dropped a 10-round upset decision to Larover in Philadelphia, when the latter was brought into the bout as a substitute.

Johnny Villanova, San Antonio, Tex., featherweight, and Al Gualter, Washington, Pa., are matched in one six-round semi-final, with Richie Callura, Pittsburgh lightweight, and Joey Longo of Baltimore in the other.

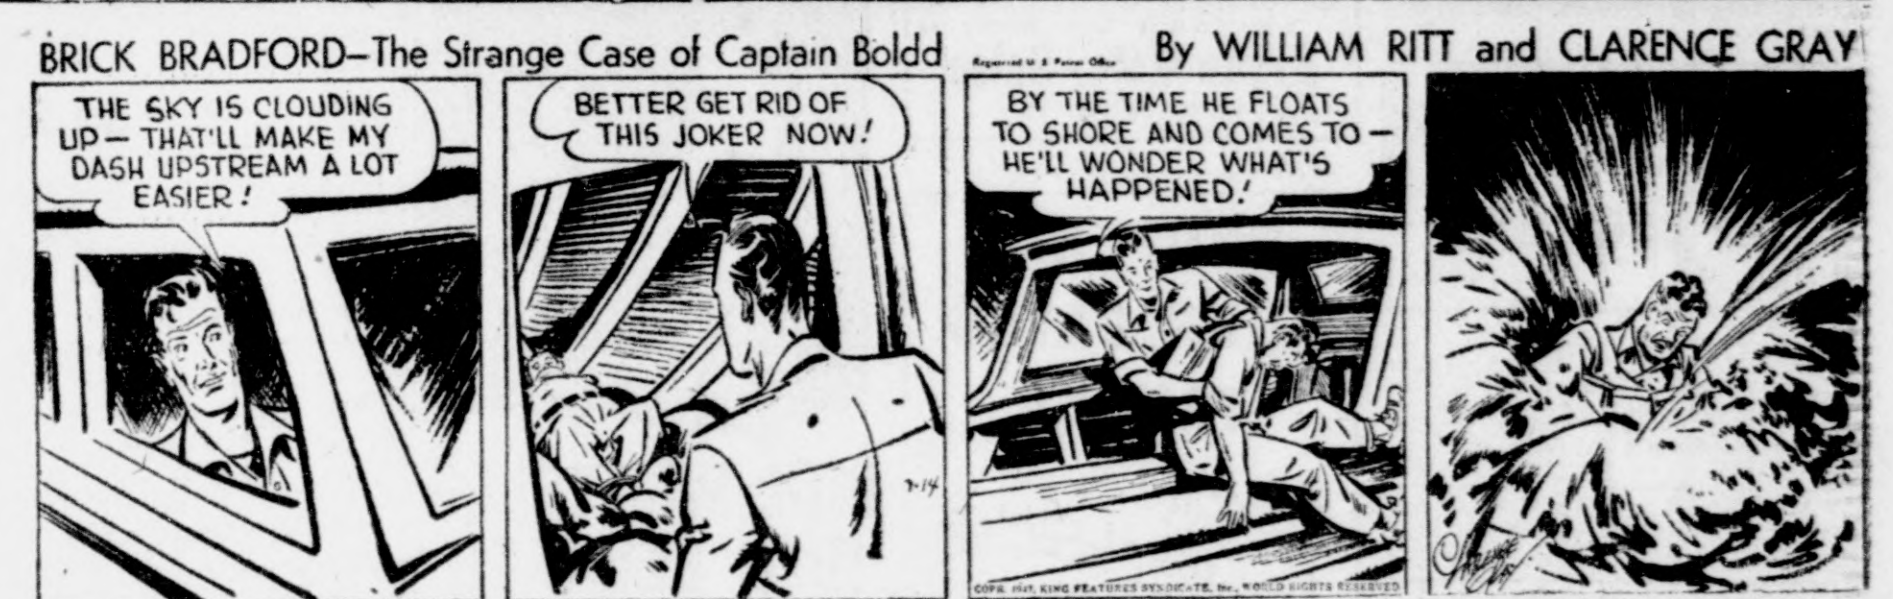

Ezzard Charles Boxes Fitzpatrick

CINCINNATI, July 14.—(INS)—Ezzard Charles, highly touted as a leading contender for a bout with Joe Louis, will continue his metamorphosis from a light-heavy to a heavyweight tonight when he meets Fitzpatrick of Los Angeles.

The bout will probably be the last tuneup for Charles before his projected meeting with Elmer (Violent) Ray.

Fitzpatrick was tabbed as the type of aggressive, hard punching heavyweight who is more dangerous than his record may imply.

Indianapolis Speedway officials today prepared to distribute an additional \$13,150 among the 30 drivers who participated in this year's Memorial Day 500-mile classic.

MARKET PUSHES HIGHER TODAY

NEW YORK, July 14.—(INS)—Despite moderate profit-taking the stock market pushed into new high ground for the year today in moderately active trading.

Industrials and rails were featured, although gains generally were limited to small fractions.

Chrysler, which was split 2 for 1, was steady and General Motors was up slightly. Steels were led by Bethlehem which advanced nearly a point. Gulf, Standard Oil (N.J.) and Texas were firm to higher. American Smelting jumped a point in an improved metals and mining group. Union Pacific highlighted rails with a rise of nearly two points. Pennsylvania, Santa Fe and Southern Pacific were strong also.

Bonds and curb shares worked irregularly higher.

Japan's Plight Is Described

Island Surrounded By Communist Neighbors Is Report From U. S. Leaders

TOKYO, July 14.—(INS)—Gen. Douglas MacArthur's chief of intelligence today described Japan as an anti-Communist island surrounded by neighbors who are either communist or are going communist. Brig. Gen. Charles A. Willoughby, who has been head of MacArthur's G-2 Section since 1941, told a group of visiting American editors that they cannot consider Japan as an isolated entity. He said they must think of Japan as an island surrounded by Korea, Manchuria, China and the Russian Maritime provinces.

Trained By Russians
He declared that the Russians are training the North Korea peoples army, which would be the only military force in all Korea if the American and Russian armies withdraw from their respective zones.

General Willoughby continued: "It is estimated that this army is ready to move south if we withdraw. South Korea would be left with the few thousand constabulary which we have trained."

The intelligence chief stressed that he was not suggesting that "Russia wants a collision or is ready for war," but he added:

"If an emergency comes, the Soviets would sweep South Korea in from fifteen to thirty days."

He also said that best qualified observers believe that the "question of Manchuria is not if the Communists are going to push the Nationalists out, but when."

As evidence for his statement that the Russians are showing tremendous interest in Japan, General Willoughby pointed to the volume of news reports and other material sent by radio to Moscow.

New Coal Prices Are Announced

PITTSBURGH, July 14.—(INS)—Pittsburgh's householders who didn't order their winter coal supply early, now will have to pay from \$1 to \$2 more a ton.

The Retail Coal Dealer's Association, in announcing new prices effective today, said the average increase will be a little more than \$1 a ton. The biggest increase will be in disco and coke, now \$14.90 a ton—up \$2 from last week's prices.

The price raises were caused by higher salaries in the United Mine Workers' new contract, and by recent wage increases for truckers, the association said.

Typical prices today for curb delivery included: two-inch lump, \$8.80; smokeless lump, \$11.60; egg, \$8.70; run-of-mine, \$8.20.

In addition, it costs 50 cents a ton extra in Pittsburgh on orders of less than two tons, and \$1 a ton to have the coal put into the basement.

Similar price boosts are expected throughout the industry, a spokesman for the dealers said.

Runaway Engine On 50-Mile Trip

VIRGEN, Ill., July 14.—(INS)—A runaway diesel-powered locomotive was returned to the yards at Alton, Ill., today after an exciting 50-mile chase along the Gulf, Mobile and Ohio railroad's tracks.

The diesel, a switch engine, started off minus its crew, at Alton. It was sighted by a switchman who flashed word that it was running wild on the track.

Railroad crews were alerted and near Virgen, Ill., another locomotive running ahead on the same track regulated its speed to that of the runaway and coupled it.

Engineer Robert Tipple was credited with the dangerous maneuver which brought the engine under control.
